3. Price and Quotations

- 3.1. The prices shown in Targetti USA, Inc.'s Price Sheet are the prices prevailing at the time the Price Sheet was published. Targetti USA, Inc. reserves the right to change these prices at any time without notice. Unless otherwise provided in writing, the order will be billed at prices prevailing at time of shipment.
- 3.2. Possession of a Price Sheet does not entitle one to purchase at prices shown, and possession of a Price Sheet is not in itself an offer to sell.
- 3.3. Price quotes must be issued in writing and are valid for 30 days unless otherwise printed on the quote. Purchase orders for standard items or custom Items received and acknowledged by Targetti USA, Inc. within this 30-day period will be price protected for shipment within 90 days from the date of the order or December 15th of that calendar year, whichever comes sooner. - 3.4. Additions to orders already processed shall be considered separate orders and shall be priced accordingly.

4. Purchase Orders

- 4.1. The acceptance of the buyer's purchase order is contingent upon Targetti USA, Inc.'s issuance of a written order confirmation.
- 4.2. Buyer's acceptance of the provisions of such order confirmation statement shall be conclusively presumed if no written objection is received by Targetti USA, Inc.'s Home Office within 15 days from the date of said order confirmation. It is the buyer's responsibility to communicate any objections or discrepancies directly to Targetti USA, Inc.'s Home Office, rather than through Targetti USA, Inc.'s representatives.
- 4.3. Targetti USA, Inc. rejects any different or additional terms and conditions other than as stated herein. The acceptance of the buyer's order is expressly made conditional on the buyer's assent to the terms and conditions set forth herein.
- 4.4. Replacements or re-orders shall be considered new orders.

5. Custom Items

- 5.1. Targetti USA, Inc. reserves the right to sell a Custom Item only to the specific customer who Targetti USA, Inc. designed the Custom Item for. At the time of release, before any portion of an order for a Custom Item will be produced, Targetti USA, Inc. requires 100% payment in advance from the buyer towards the purchase price of such Custom Item. The buyer may not cancel or change an order for a Custom Item. Any attempt to do so shall constitute a default hereunder.

6. Custom Finish Color Policy

8. Freight Charges

- 8.6. If the buyer notifies Targetti USA, Inc. to delay delivery of merchandise after said merchandise has been produced in accordance with Buyer's instructions, then Buyer shall pay Targetti USA, Inc.'s standard storage charges until such merchandise is shipped.

9. Expedite Fee

- 9.1. Shall the customer request, after receiving a preliminary written ESD upon placement of a purchase order, to expedite the production and shipment beyond normal and reasonable production capabilities, Targetti USA will do the best to accommodate the request. However, this may incur

in additional expenses, including but not limited to: air freight shipments from the Italian HQ to Targetti USA, overtime labor expenses, rush request of components and parts to external vendors that may result in higher overall production costs, etc.. If the above scenario is presented, Targetti USA will inform the customer of a forfeit charge of 25% from the total of the Purchase Order related to the rushed material, and will present an updated ESD, which in any case is not bonding and may be subject to change in any moment.

- 9.2. Targetti USA shall not be held responsible if, even after having applied the 25% expedite fee to the customer, the actual ship date will not match what anticipated to the customer. External factors may still occur and may delay the ship date even after having diligently applied any or all of the above rush procedures, and even if the actual ship date does not match what written to the customer, Targetti USA shall retain part or all of the expedite fee due to the above sustained costs.
- 9.3. Targetti USA will not proceed with any expedite fee charge until this is approved and agreed upon by the customer via formal email communication.

10. Packaging and Shipments

- 10.1. The method of packaging is at Targetti USA, Inc. 's discretion.
- 10.2. Targetti USA, Inc. will use its own discretion in routing all shipments and reserves the right to select carrier and truck size. If any shipment made in accordance with Buyer's instructions incurs additional labor or carrier costs, said costs shall be paid by the buyer as invoices are rendered.
- 10.3. The distributor's trading area for the distribution of Targetti USA, Inc. fixtures shall be limited to the area assigned to and serviced by Targetti USA, Inc. 's local representative.
- 10.4. Targetti USA, Inc. reserves the right to refuse to make direct shipments to destination points outside the distributor's trading area.
- 10.5. The shipment date mentioned on Targetti USA, Inc. 's order acknowledgement, if any, is Targetti USA, Inc. 's best approximation of the probable shipment date and shall not represent a fixed or guaranteed shipment date. Targetti USA, Inc. shall not be responsible for any damage or loss resulting from delayed shipments or Targetti USA, Inc.'s inability to ship. Delay of one or more shipments shall not relieve Buyer of its obligation to accept remaining shipments.
- 10.6. Targetti USA, Inc. may ship orders in installments, as they become available, unless the buyer specifies on the Purchase Order that "no partial shipments" are allowed. Each installment shall be separately invoiced, and payment shall be due as described herein, without regard to subsequent shipments. Targetti USA, Inc. may withhold subsequent shipments if outstanding invoices are not paid.

Every claim under this warranty shall be deemed waived unless received in writing by Targetti USA, Inc. within 30 days of the date the purported defect to which each related claim is discovered, or should have been discovered. It is the buyer’s responsibility to file all claims directly with Targetti USA, Inc.’s Home Office. Claims may not be filed through Targetti USA, Inc.’s local representatives.
- 12.3. LED drivers and power supplies are covered by separate manufacturers’ warranties.
- 12.4. The above warranty is suspended during any period of time that Buyer has any outstanding balance owed to Targetti USA, Inc. Such period shall not extend the warranty period.
- 12.5. The products of the Outdoor Line are manufactured by Targetti with innovative production processes that guarantee a high quality level of the same in terms of resistance to corrosion, abrasion, peeling and color fading. The guarantee will be applicable to said products providing any faults/defects that could compromise their structural/mechanical safety are due to faults/defects in the production/manufacturing process of the product. However, guarantee does not cover the intact nature of the paintwork or the external surface treatments of the Product when it is used in a saline environment or in the presence of corrosive agents (e.g. chlorine, weed-killers, fertilizers, non-neutral detergents, etc.).
- 12.6. On products treated with cataphoresis and painting, branded warranty is guaranteed when they are positioned more than 16ft from the sea shoreline. Guarantee does not cover products when they are positioned less than 16ft (sixteen) from the sea shoreline and/or when they are in direct contact with salt for extended periods and/or when they are used in presence of corrosive agents (e.g. chlorine, weed-killers, fertilizers, non-neutral detergents, etc.).
