

### 90+ Lighting

90+ Lighting: Reliable Everytime, Vibrant Everytime, Affordable evrytime

### 3G Lighting

Contemporary pendant, surface and recessed luminaires combining LED, fluor and low voltage sources

### A-Light

At A-Light, we are passionate about the relationship between form and light.

### Above All Lighting

Above All Lighting, a leader in R&D, manufacturing and customization of LED indoor and outdoor light fixtures.

### Acclaim Lighting

Advanced LED lighting solutions; static white, RGB, RGBW for interiors and exteriors.

### Active Safety

Photo luminescent exit signs & luminous egress path markings

### Acuity Brands

Complete integrated solutions provider; one of the world's leading suppliers of lighting, controls and devices for both indoor and outdoor applications.

### Aculux/Acuity Brands

### Ambiance

Our line includes linear, LED tape, disk, self-contained, rail, pendant and miniature recessed lighting systems; many of which are available in LED

### Antique Street Lamps/Acuity

Antique Street Lamps (ASL) products light up the country's main streets, roadways, public spaces, college campuses and shopping malls.

### AZZ (formerly Rigalite)

Quality industrial lighting, specializing in hazardous and severe environments--all lamp sources.

### Bartco Lighting

Specification-grade, low-profile linear and compact fluorescent fixtures.

### Beghelli Group

Established emergency and general lighting.

### Beta-Calco

A highly innovative manufacturer of quality, performance driven architectural interior and exterior luminaires incorporating the latest in LED technologies.

### Blackjack

Blackjack Lighting is a design- and technology-driven lighting manufacturer headquartered in suburban Chicago.

### Celestial Lighting

Architectural luminaires and specialty lighting.

### Dark to Light/Acuity

Complete offering of outdoor photocontrols; standalone outdoor photocontrols to meet and exceed ANSI photocontrol standards.

### Delray Lighting

Architectural quality, contemporary light fixtures for commercial applications

### Duralamp

Duralamp, a brand of Targetti, delivers a versatile line of high quality, specification grade linear LED lighting and decorative specialty and vintage lamp solutions.

### EasyI™/Acuity

Simple, intuitive DMX show controller for RGB luminaires.

### EcoSense Lighting

Solid-state lighting solutions for use in commercial and residential applications.

### Efficient-Tec Int, LLC

Efficient-Tec International LLC offers a complete handrail solutions

### ELEMENT by Tech Lighting

Smartly engineered line of specification-grade, precision, small aperture, recessed downlighting and accent lighting.

### Energie

International collection of select lighting products, Energie satisfies a growing demand for unique architectural lighting products.

### Energy Focus

Energy Focus, Inc. is a leading provider of energy efficient LED lighting products, and a developer of energy efficient lighting technology.

### eos

eos LightPanel Systems is an award-winning, leading integrator and manufacturer of LED Backlighting solutions for a translucent Avonite.

### ERCO

Extensive range of highest-quality exterior and interior lighting with precise optical control and superb visual comfort

### Espen

Espen Technology is dedicated to delivering sustainable and environmentally progressive lighting solutions.

### Eureka

Our passion for designing and manufacturing best-in-class, distinctive, specification grade decorative luminaires.

### Fabbian Illuminazione

Italian-designed architectural and residential lighting.

### Feiss

Indoor and outdoor, high-quality residential decorative lighting.

### Folio

FOLIO® is the intersection between pure illumination and minimalist form.

### FSC Lighting

Lighting solutions that go beyond efficiency

### Gotham/Acuity

Specification grade, architectural downlighting--all lamp sources.

### Healthcare Lighting®/Acuity

Lighting products for healthcare; specializing in surgical, bed and exam lights.

### Heilux / Luma Film

Heilux provides innovative lighting solutions using LumaFilm®, a thin and flexible, planar LED light emitter that does not require a heat sink.

### HUNT Dimming

A broad line of lighting controls and dimmer switches, architectural systems and wallbox devices.

### HYDREL/Acuity

Industry leader for in-grade, underwater and flood lighting products--all lamp sources.

### IEP Systems

IEP Systems Inc. designs and manufactures central lighting inverter and associated products for the lighting industry.

### Indy Lighting / Acuity

Indy Architectural Recessed Lighting features the industry's widest range of high-quality, commercial-grade luminaires.

### Intrigue Lighting

Architectural and pedestrian-scale lighting fixtures.

### Juno Lighting / Acuity

Juno Lighting Group – A product family of 6 brands with products suitable for commercial and residential, indoor and outdoor use.

### Kelvix

Low profile TAPE light, cove, undercabinet and direct view, low and line voltage.

### L.C. Doane

Durable line of products for demanding marine, industrial, correctional, and institutional use such as cleanroom and healthcare facilities.

### LBL Lighting

Low-voltage pendants, signature sconces, ceiling fixtures and outdoor sconces.

### Lightahome Residential/Acuity

Quality indoor and outdoor residential lighting solutions that are functional, attractive and energy-efficient.

### LC&D Lighting Control & Design / Acuity

Lighting controls, relay panels, digital switches, daylight harvesting and graphical software.

### Lighting Services Inc

Premier manufacturer of track, accent display and LED lighting systems.

### Lightology

Online lighting showroom offering numerous manufacturers' products, multiple applications

### LIGMAN Lighting USA

Designing, manufacturing and distributing efficient, high-quality outdoor lighting products.

**Lithonia Lighting/Acuity**

Most comprehensive manufacturer of products for all lighting needs--all lamp sources.

**LLI Architectural Lighting**

Custom LED linear lighting products, aluminum extrusions, LED light bars, LED puck lights and lighting controls.

**LucaLight**

LED lighting designed for library shelving, directing light where it needs to be.

**LumenArt**

Sconces and pendants made from blown and fused glass, perforated metals, fabric and stainless steel.

High-quality, functional LED designs for high-end residential and commercial spaces.

**Monte Carlo Fan Company**

Trend-inspired, fashion-forward ceiling fans

**Neri**

Manufacturer of unique outdoor lighting & urban decoration

**Nine 24 Inc.**

Emergency lighting management and energy conservation devices.

**NIPPO-Seamlessline-Verbatim**

In 1997 NIPPO introduced the Seamlessline product line in Japan. In 2003 Nippo brought this unique product to the North American markets

**nLIGHT/nLight AIR / Acuity**

Powerful distributed intelligence & wireless controls.

**OLED / Acuity**

OLED Lighting Design Center featuring products designed to integrate with architecture.

**Peachtree Lighting**

Architectural downlighting, cylinders pendants and sconces for a variety of applications.

**OCL Architectural Lighting**

Full line of decorative and architectural products: pendants, ceiling mount, indoor and outdoor sconces.

**Peachtree**

Architectural downlighting, cylinders pendants and sconces for a variety of applications.

**Peerless®/Acuity**

Industry leader in optical design for linear products.

**Pinnacle**

High-efficiency, recessed or pendant-mount direct, indirect/direct, wallwash fluorescent and LED products.

**Poles Central/Acuity**

**Prudential Lighting**

Recessed and linear pendant, wall-mount products for a variety of indoor and specialty applications—linear, fluorescent and LED.

**PureEdge Lighting**

LED and low-voltage; minimal trimless and bevel apertures; downlighting, accent lighting, wall washers and grazers.

**Puro Lighting**

Utilizing exclusive patents and technology from Violet Defense™, their first offering to the market is a breakthrough UV disinfection solution.

**RELOC Wiring Solutions / Acuity**

**ROAM®/Acuity**

Streetlight monitoring system that minimizes the total life cycle cost of a lighting network while enhancing safety, sustainability and maintenance.

**Saco LSII international**

Solid-state LED lighting and media solutions.

**Selux**

Interior and exterior light fixtures, featuring distinctive European style and performance optics.

**Sensor Switch/Acuity**

Industry leader in developing occupancy sensor products and technology for lighting control--nLight and nLight wifi.

**Softform**

softform L I G H T I N G is about illuminating interiors with our unique, visually superior, stretched fabric light forms

**Solavanti Lighting**

Solavanti Lighting is built on a solid foundation that is synonymous with cutting edge design

**Solavanti Lighting**

Solavanti Lighting is built on a solid foundation that is synonymous with cutting edge design

**SpecGrade LED**

Cost-effective, energy-saving illumination solutions for indoor and outdoor applications that require bright, shadow-free security and spot.

**Specialized Lighting Solutions**

Visit our site for more information.

**SPI Lighting Inc.**

Developing products to exceed the demands of high-quality, creative lighting design.

**StarTek**

StarTek Lighting America designs, engineers, and manufactures top quality LED lighting solutions in Gurnee, IL for commercial, industrial, institutional and recreational applications

**Stile Contemporary Lighting**

Brand of SPI Lighting, a unique line of fixtures with simple, clean lines designed with budget and energy constraints in mind.

**Sunoptics Prismatic Skylights/Acuity**

Prismatic Skylights--allowing you to turn off your lights during peak daylight hours, reducing energy consumption and cost.

**Synergy Lighting Controls/Acuity**

Products for dimming, switching, integrated and distributed control, daylight harvesting and controllable breakers

**Targetti**

Wide range of indoor and outdoor architectural lighting and creative solutions crafted with italian quality and craftsmanship for the U.S. market.

**Tech Lighting**

Low-voltage, line-voltage pendants, standalone or for Monorail, T-TRAK line-voltage track, ceiling-mounts and sconces.

**Teslyte LLC**

Teslyte designs and manufactures IoT Networked Light Control, Energy Saving Retrofit Solutions and Uniformed Luminaire Families

**TLI Teron Lighting**

TLI is a leader in energy-efficient lighting solutions.

**USAI Lighting**

Cutting-edge downlights, wallwashers and accent lighting products that deliver increasing performance and energy savings.

**Vision 3 Lighting**

Architectural Lighting Solutions for Outdoor and Landscape

**VISO**

Contemporary lighting collection from floor and table lamps, to ceiling suspensions, wall sconces, or on-demand lighting designs for custom projects.

**VolskLyte**

Merging the art of metal and the science of light

**Waldmann**

High quality, energy-efficient LED, fluorescent and halogen lighting solutions for a range of applications.

**Winona/Acuity**

Quality products for any application: Winona Lighting may be best known for custom design and skilled manufacturing, specializing in custom, decorative and performance luminaires

**XAL**

Innovative mfg featuring sophisticated European design coupled with US production capabilities. Recessed, ceiling, wall, pendant, acoustic luminaires.
