

# CHOREO DESKTOP CONSOLETTA

Models shown: 1. PWCHOREO DIN 1024 mounted in PWACC CHORDT Desktop Consolelette; PWCHOREO available separately

## WARRANTY

3-year limited warranty. Complete warranty terms located at: <https://www.acuitybrands.com/support/warranty>

## NOTE

Actual performance may differ as a result of end-user environment and application. Specifications subject to change without notice.

## OVERVIEW

The Choreo™ Consolelette makes it easy to integrate Choreo into systems where the controller must remain portable or non-permanently mounted.

Perfect for desktop use, the consolelette features non-slip rubber feet and viewing angle adjustment via the side knobs.

The consolelette is simple to set up: connect the appropriate pass-through cables to the jacks on the rear of the unit, and mount the device via the mounting plate & screws.

## FEATURES

- Tough, powdercoated steel construction
- Connections:
  - 1 DMX512 Output
  - USB Type A Port
  - RS232/DMX Input/Contact Closure via DB9 Connector
  - RJ45 etherCON/PoE Port
