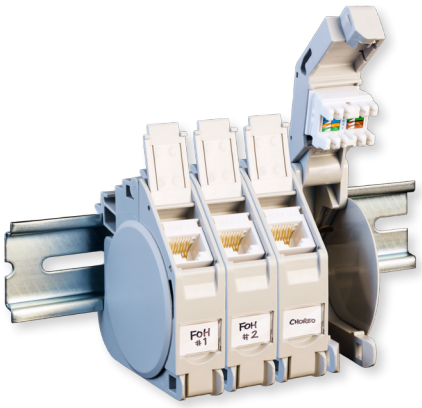
DIN-MOUNT RJ45 PATCH MODULE



Model shown: **PWACC RJPATCH Q4**

WARRANTY

3-year limited warranty. Complete warranty terms located at: https://www.acuitybrands.com/support/warranty

NOTE

Actual performance may differ as a result of end-user environment and application. Specifications subject to change without notice.

OVERVIEW

The PWACC RJPATCH accessory is a RJ45 patch module that facilitates easier and cleaner installation of VIA DIN-mount switches (PWVIA DIN) in Pathway DIN enclosures (PWENC).

Terminate building Cat5 cable to the punch-down keystone jack, install onto 35mm DIN rail and use standard Ethernet patch cables to complete the wiring to the switch(es). Create custom Ethernet patch bays inside the enclosure.

The PWACC RJPATCH module includes a labeling window to further organize the network wiring, and a hinged cover protects the jack when not in use. Side covers are removable to save space when installing several modules in a continuous row.

Available in packs of 4.

FEATURES

- Facilitates more reliable termination of Cat5/6 cabling for VIA DIN-mount switches in DIN enclosures
- Label window for labeling of each cable or switch port
- Hinged latch protects RJ45 jack from damage or contamination when not used
- Swinging cassette with latching mechanism allows easy installation and removal of keystone jack
- Patch cable connection angle provides strain relief caused by cable's weight
- Side covers are removable, allowing more compact spacing when installing several modules in a row
- Mounts to standard 35mm DIN rail

SPECIFICATIONS

Electrical

Input/Output Ratings PoE Pass-through

Mechanical

Dimensions 0.83" W x 2.78" H x 2.66" D (21mm W x 70.5mm H x 67.5mm D) [with side lids]
4 modules together take up 3.5" of DIN rail

Weight 1.6 oz (45 g)

Mounting Interface 35mm x 7.5mm DIN rail

Environmental

Operating Temperature 14°F to 113°F (-10°C to 45°C)

Relative Humidity 5-95%, non-condensing

Standard Compliance RoHS 2011/65/EC

General

Compliance IEEE 802.3 Ethernet
IEEE 802.3af Power-over-Ethernet
