

Future-proof units with a plug-n-play system

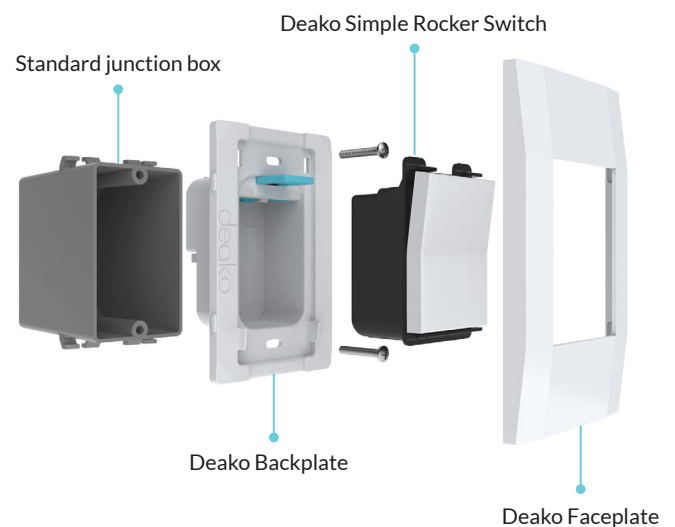

Stay one step ahead of
your tenants with a system
that gives renters the
control they desire

deako
LIGHTING

Deako base system

This patented, plug-n-play system makes
it easy for you to offer what your tenants
want, without the headache.

With Deako, you can give your tenants options

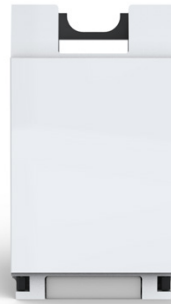

Simple Dimmer

A simple upgrade that makes a big impact.

Simple Motion Sensor & Timer

Energy-saving efficiency and simple automation in one sleek switch.

Smart Switch

The utility player that can add value in any space.

Smart Dimmer

For ultimate control, enjoy the benefits of smart lighting with a physical dimmer.

A close-up photograph of a hand with a finger pressing a white, rectangular light switch. The switch is mounted on a dark, textured wall. The entire image is framed by a teal border.

Make an investment that will stay current with the needs of your tenants. Equip your units with the Deako light switch system.
